WHAT DOES ORGANIC & FAIR TRADE MEAN?

ORGANIC COFFEE is grown using methods and materials that have a low impact on the environment.

THE FAIR TRADE CERTIFIED™ LABEL GUARANTEES:

A FAIR PRICE - The Fair Trade Certified label guarantees that farmers and workers received a fair price for their product. The Fair Trade price means that farmers can feed their families and that their children can go to school instead of working in the fields.

QUALITY PRODUCTS - By receiving a fair price, Fair Trade producers can avoid cost-cutting practices that sacrifice quality. The Fair Trade producers' traditional artesanal farming methods result in exceptional products.

CARE FOR THE ENVIRONMENT - Most Fair Trade Certified coffee, tea and chocolate in the US is certified organic and shade grown. This means that the products you buy maintain biodiversity, provide shelter for migratory birds and help reduce global warming.
