Tumblers

Textured on the outside, to resist scratching. Smooth on the inside for easy cleaning. Colorware Tumblers are made of impact-resistant plastic and feature interior stacking lugs for easy storing. Sani-Rim lip provides a sanitary drinking surface. Use them for casual dining to serve water, soda, ice tea and specialty beverages.

Measuring Cups

Whether the recipe calls for ounces, pints, quarts or liters, Camwear Measuring Cups make the right measurement clear. These graduations are molded-in and imprinted in blue on one side for metric and red on the other for American standard. Made of rugged polycarbonate, they are not affected by food acids. They won't dent, ensuring an accurate measurement. The handle is molded to the cup so it won't break off.
