

# two fry menu, one **smart** move

97% of operators serving sweet potato fries feature them as a second fry alternative. In addition to giving guests something they can feel good about eating, they know sweet potatoes add big-time profitability to the bottom line.

## ADD SWEET NEW MENU APPEAL

**burgers** Feel-good sweet potato fries dress up any burger and put colorful new twist on America's favorite twosome.

**entrees** From contemporary to classic comfort foods, sweet potatoes add a unique complement to savory meats and seafood.
